

In Pennsylvania, you can now apply for or renew your benefits from home. COMPASS—the online resource for applying and renewing your health and human service benefits—is fast, easy and convenient. In fact, for most people, COMPASS is even more convenient than mailing in a form.

The benefits are online.

Through COMPASS you can apply for everything online including:

- Cash Assistance
- SNAP, Supplemental Nutrition Assistance Program
- Child Care Works
- Long-Term Living Services
- SelectPlan for Women
- Health Care Coverage (CHIP, Medical Assistance)
- School Meals
- Home Heating Assistance (LIHEAP)

To apply you may need some, or all, of the following:

- Proof of household income received from a job, child support or other sources
- Social Security numbers and birth dates of household members
- Current or recent health insurance information
- Housing and utility expense information
- Resource information such as bank accounts
- Proof of citizenship and identity such as birth certificate, drivers license or a state ID

Log on anytime 24/7 and start the process.
