Dear Mr. Delgado:

It is my pleasure to inform you that, at its October 2016 meeting the Commission on Secondary Schools of the Middle States Association of Colleges and Schools voted to award the following to One Bright Ray Community High School, grades 9-12:

**ACCREDITATION**

The term of accreditation is for seven years; therefore, your school's accreditation will expire on **December 1, 2023**.

An "Accredited" institution is an educational organization that meets all MSA Standards for Accreditation, adheres to applicable MSA policies, and meets the requirements of the self-study protocol used. The institution agrees to adhere to all requirements for maintenance of accreditation.

At the beginning of the third year in your school's accreditation term, you are required to submit a Mid-Term Report in which you provide evidence that you are implementing your Plan for Growth and Improvement and of progress being made toward achieving your objectives. The Report will be reviewed by the Middle States staff, which will determine whether an on-site visit must be conducted to examine any areas of concern.

In the sixth year of the accreditation term, you will be notified to begin a new self-study to prepare for the next accreditation visit.

Please accept our sincere congratulations on the recognition of your school as an accredited member of the Middle States Association of Colleges and Schools. Enclosed please find your Commissions on Elementary and Secondary Schools accreditation certificate and other
