March 13, 2020

Dear OBR Families,

The health and safety of our students and staff remain our top priority in the wake of the evolving situation around the novel coronavirus (COVID-19). In light of the new guidance and decisions made by The School District of Philadelphia, today, March 13th, all One Bright Ray, Inc. (OBR) campuses and offices will close beginning Monday, March 16, 2020, and will remain closed through Friday, March 27, 2020. All school-sponsored activities, events, field trips, and athletic events are also canceled during this period. Please continue to take preventive measures and look out for each other. We encourage you to follow the guidance of federal, state and local health officials:

- Avoid mass gatherings and crowded areas.
- Avoid non-essential travel.
- Stay away from others when you are sick and avoid close contact with people who are sick.
- Keep a distance between yourself and other people.
- Get information from fact-based resources, such as the Center for Disease Control, and the Philadelphia Department of Health.

Educational packets and instructions were distributed to all schools today, Friday, March 13th. These packets and instructions can also be found on our website at www.onebrightraycommunity.org. Please note there is a Google Classroom also available on our website to help support you as you work to complete the Two-Week Educational Packet.

Please continue to check our website and social media pages for continued updates.

Sincerely,
