March 25, 2020

Good Evening OBR Community Members,

I know there are many questions about school closure and what happens next regarding the end of the Module 3 grades, make up day for Module 3, new student orientation, and school activities. As of today, March 25, 2020, we will return to school when the Philadelphia School District returns to school. Over the next few days, we will be monitoring the situation and making a decision based on guidance from our Governor and the Philadelphia Department of Education.

According to guidance from the Pennsylvania Department of Education and the School District of Philadelphia we can only provide students with optional enrichment activities to complete during this time. One Bright Ray Community High School will have a Google Classroom set up by Tuesday, March 31, 2020 for you to visit and new activities will be posted every week until we return. In addition, we will set up, via Zoom, virtual hours for students to check in with key school personnel to ask questions and to provide support during this time.

In the meantime, find a balance in life and follow all of the recommendations of the CDC.

Sincerely,

*Marcus A. Delgado*
