March 19, 2021

Hello One Bright Ray Community High School Parents/Guardians and Students,

First and foremost, let me start by saying we appreciate your commitment and dedication towards your goal of graduating from high school during these difficult times. As the city of Philadelphia and the School District of Philadelphia continue to deal with the COVID-19 crisis, we at One Bright Ray will continue in our efforts to ensure a quality education for you during this time.

As we come to the end of Module 2 and we prepare for the beginning of Module 3 (M3 Student Orientation starts on Monday, March 22, 2021) I want to provide you with a few updates for Module 3. We will continue with student choice in rostering to allow for flexibility in the daily lives of our students. We recognize the importance of this flexibility during this time and we want to make sure each student is accommodated to best match their needs. Additionally, we will be offering all courses in Module 3 across all 4 campuses to ensure students reach their graduation progress goals and their graduation date. To support our seniors, we will be moving Senior Seminar from 4 days a week to 5 days a week to ensure that seniors can complete their multidisciplinary project in time for graduation.

There will be some exciting events during Module 3, such as the Mid-Module Community Event, a virtual College and Career Day (held on April 14, 2021), and a 4-week Credit Recovery and selected student senior Summer Session starting July 5, 2021. Unfortunately, due to large gathering restrictions, we will not be having a prom this year. However, we will be holding an end-of-the-year celebration to highlight the great effort you have all put in this past year.

As warmer weather approaches, we at One Bright Ray will continue to monitor the gathering restrictions outlined by the CDC and the City of Philadelphia as we are planning for some sort of graduation ceremony to celebrate all of the 2020-2021 graduates of OBRCHS.

Once again, thank you for your commitment, belief in yourself, and the Mission of One Bright Ray Community High School.

Thank you,

Marcus A. Delgado
