Subject: Free Breakfast and Lunch for All Students

Dear Parents and Guardians,

We are pleased to inform you that our school participates in the **Community Eligibility Provision (CEP)**, a federally funded program that allows all enrolled students to receive breakfast and lunch at no cost to their families.

Through our participation in the CEP, every student is eligible to receive free breakfast and lunch through the National School Breakfast Program and National School Lunch Program.

Please be assured of the following:

- **No Payment Required:** Parents and guardians are not required to pay for their child's breakfast or lunch.
- **No Meal Account Balances:** Students will not accumulate outstanding balances for meals provided through these programs.
- **No Meal Debt Collection:** The school will not seek payment or collect money from parents or guardians for covered breakfast and lunch meals.
- **Students Withdrawing or Transferring:** Students leaving our school will not have any outstanding meal debt and will not be required to reimburse the school for breakfast or lunch meals received.

Our goal is to ensure that every student has access to nutritious meals throughout the school day without creating a financial burden for families. We encourage all students to take advantage of the breakfast and lunch services available to them each school day. If you have any questions regarding our meal program, please contact the Business Office.

Sincerely,

Frances Velazquez
Chief Financial Officer
