increases student achievement.

Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.

Nutrition education lessons and activities shall be age appropriate.

#### Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

District schools shall promote nutrition through the implementation of Farm to School activities where possible. Activities may include, but not be limited to, the initiation/maintenance of school gardens, taste-testing of local products in the cafeteria and classroom, classroom education about local agriculture and nutrition, field trips to local farms and incorporation of local foods into school meal programs.

#### Physical Activity

District schools shall strive to provide opportunities for developmentally appropriate physical activity during the summer for students enrolled in Physical Education Class.

Students shall participate in a Physical Education class during their high school experience in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness and performance benefits.

Age-appropriate physical activity opportunities, such as activities that may include, but not be limited to trips to bowling, roller-skating and trampoline centers, softball and basketball games are planned throughout the year for students to participate in, in addition to planned physical education.

<p>SC 1512.1 Pol. 102, 105</p>	<p>District schools shall promote physical activity through encouragement of running club.</p> <p><u>Physical Education</u></p> <p>A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All district students must participate in physical education.</p> <p>Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.</p> <p>Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.</p> <p>A varied and comprehensive curriculum that promotes both team and individual activities and leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.</p> <p>Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.</p> <p>Safe and adequate equipment, facilities and resources shall be provided for physical education courses.</p> <p>Physical education classes shall have a teacher-student ratio comparable to those of other courses for safe and effective instruction.</p> <p>Physical activity shall not be used or withheld solely as a form of punishment.</p>

policy and administrative regulations.

The district may allow a limited number of exempt fundraisers as permitted by the Pennsylvania Department of Education each school year: up to five (5) exempt fundraisers in elementary and middle school buildings, and up to ten (10) exempt fundraisers in high school buildings. **Exempt fundraisers** are fundraisers in which competitive foods are available for sale to students that do not meet the Smart Snacks in School nutrition standards.

The district shall establish administrative regulations to implement fundraising activities in district schools, including procedures for requesting a fundraiser exemption.

*Non-Sold Competitive Foods –*

Non-sold competitive foods available to students, which may include but are not limited to foods and beverages offered as rewards and incentives, at classroom parties and celebrations, or as shared classroom snacks, shall meet or exceed the standards established by the district.

If the offered competitive foods do not meet or exceed the Smart Snacks in School nutrition standards, the following standards shall apply:

1. Rewards and Incentives:
  - a. Foods and beverages shall not be used as a reward for classroom or school activities unless the reward is an activity that promotes a positive nutrition message (e.g., guest chef, field trip to a farm or farmers market, etc.).
2. Classroom Parties and Celebrations:
  - a. Classroom parties/celebrations with food/beverages shall be limited to no more than one (1) per month in each classroom.
  - b. When possible, foods/beverages for parties and celebrations shall be provided by the food service department to help prevent food safety and allergy concerns.
3. Shared Classroom Snacks:
  - a. Shared classroom snacks are not permitted in district schools.

<p>7 CFR Sec. 210.11, 210.31</p> <p>SC 504.1</p> <p>Pol. 209.1</p>	<p>The district shall provide a list of suggested nonfood ideas and healthy food and beverage alternatives to parents/guardians and staff, which may be posted via the district website, student handbook, newsletters, posted notices and/or other efficient communication methods.</p> <p><i>Marketing/Contracting –</i></p> <p>Any foods and beverages marketed or promoted to students on the school campus during the school day shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School) and comply with established Board policy and administrative regulations.</p> <p>Exclusive competitive food and/or beverage contracts shall be approved by the Board, in accordance with provisions of law. Existing contracts shall be reviewed and modified to the extent feasible to ensure compliance with established federal nutrition standards, including applicable marketing restrictions.</p> <p><u>Management of Food Allergies in District Schools</u></p> <p>The district shall establish Board policy and administrative regulations to address food allergy management in district schools in order to:</p> <ol style="list-style-type: none"><li>1. Reduce and/or eliminate the likelihood of severe or potentially life-threatening allergic reactions.</li><li>2. Ensure a rapid and effective response in case of a severe or potentially life-threatening allergic reaction.</li><li>3. Protect the rights of students by providing them, through necessary accommodations when required, the opportunity to participate fully in all school programs and activities.</li></ol> <p><u>Safe Routes to School</u></p> <p>The district shall assess and, to the extent possible, implement improvements to make walking and biking to school safer and easier for students.</p> <p>The district shall cooperate with local municipalities, public safety agency, police departments and community organizations to develop and maintain safe routes to school.</p>
