Re: Affordable Connectivity Program

OBR would like to inform our students of the Affordable Connectivity Program (ACP) that is available. This program provides eligible households a discount of up to \$30 a month for internet bills, and a one-time \$100 discount off an eligible connected device.

The one stop site to check eligibility, find covered plans and sign up for this program is [GetInternet.gov](https://www.getinternet.gov) also available in Spanish is another website [AccedeAInterent.gov](https://www.accedeainterent.gov)

For more assistance on how to apply, please contact 877-384-2575 or visit the websites provided.

Thank you.
